All of the out of town guests had private rooms.

Elyse

Molly

Daisy

Violet

Kyle and Violet enjoyed each other's company.
Here Kyle shows her the library.

The younger ones were entranced by the century old shower in the bathroom.

Daisy felt left out and explored the big old house by herself.

Violet shows Daisy the children's bedroom and suggests she watch the younger ones for a bit.

Daisy and the little ones play a game in the sitting room.

Everyone gets together for a farewell photo on the veranda.
